(1) The Gospel of Matthew

Tuesdays at 6:45 p.m. March 19 to June 4th

Taught by Dr. Raphael Thomas at GCA and by ZOOM

In this gospel, Matthew shows that Jesus is the long-expected Messiah of Israel, the only one with a right to the throne of David. Our purpose in this course is to concentrate on the exposition of the text as it is found in our Bibles. This course and commentary seeks to stimulate independent study and meditation. Most of all, it is aimed at creating, in the reader's heart, an intense longing for the return of the King.

(2) Genesis

Tuesdays at 7:30 p.m. March 19 to June 4th

Taught by Pastor Brian Grant by ZOOM

Since God's revelation begins with Genesis, its importance can hardly be overstated since it contains the truth about the origin of all things and is the key to understanding all that has happened in the history of the world. This course will help us to understand the meaning of history, and how God's purposes are being worked out.

(3) Bible Prophecy

Tuesdays at 7:30 p.m. March 19 to June 4th

Taught by Pastor George Peters by ZOOM

This course seeks to present, in a simple manner, the outline of future events. The parts of Israel and the church are reviewed and explained. The present purpose of God is explained. Distinctions between the two resurrections are made and the rapture of the saints identified. The return of the King, the earth's golden age and the eternal state are brought into focus.

(4) James: Walking in Wisdom (For Ladies Only)

Wednesdays at 8:00 p.m. March 20 to June 5th

Taught by various GCA ladies by ZOOM

The Book of James encourages believers to see adversity in the perspective of God's great goodness. This direct and candid epistle, written by Jesus' younger brother, shows us what it means to trust Christ in and through life's difficulties. In this Bible study for women, Lydia Brownback explores James verse by verse.
